We are excited to welcome you to the JWP River History Museum! Our exhibitions and activities will accommodate social distancing and sanitary practices. Please come prepared to wear a mask inside the Museum. One will be provided for you if needed. Thank you!

Water/Ways is part of Museum on Main Street, a collaboration between the Smithsonian Institution and Utah Humanities, and is touring in partnership with the John Wesley Powell River History Museum. The tour is part of *Think Water Utah*, a statewide collaboration and conversation on the critical topic of water presented by Utah Humanities and its partners.
